Dear Prospective River View HS Disney World Trip Participant:

Music Travel Consultants is very excited to once again work with the River View HS Music Dept. for your June 4-9, 2018 Disney World performance trip. MTC is the Official Student Travel Partner for Bands of America and Music For All.

The trip sign-up and payments will be collected by Music Travel Consultants. Trip registration instructions are given below, and a step-by-step instruction brochure is available online at: www.musictravel.com/my-music-travel-userguide.html. MTC can email a copy, as well as the itinerary and payment schedule upon request. The documents are also available online after you register.

Payment Schedule

MTC will handle all trip registrations and payments online via our secure-server website. The non-refundable trip deposit of \$50 (subject to cancellation safety nets listed below) is due May 26th. All subsequent trip payments are due on the 14th of each month beginning in July, as listed on the Trip Costs page. Our office will send e-mail invoices prior to each monthly payment. Any questions or deviations from the payment schedule should be communicated to MTC.

Your group leader will be able to view the online trip roster and payment status. Anyone with \$0 in their trip account by the 4th payment due date (September 14th) may be removed from the trip roster. Delinquent trip accounts will be placed in "Frozen" status. If this occurs, please contact Ashley Harting in our Finance Dept. to make arrangements for any missed payment and to re-activate your account. The final trip price will be determined once we have a final passenger count after the Cancellation Deadline, and after the school provides the final rooming list. You will be notified of your final payment amount via email approx. 30 days prior to trip departure date.

Cancellation Information

Last Day for Individual Cancellations is April 5, 2018. Through that date, any individuals who decide to cancel will receive refunds of all trip payments except the initial \$50 non-refundable deposit. If the entire trip is cancelled on or before April 5, 2018, everyone will receive a refund of everything for which MTC can get a refund from the vendors (deposits/payments we have made for hotel, motorcoach, sightseeing venues & concert tickets).
