

# BALLOON DAY!

**Friday, November 8th, 2019**

Dear Black Bear Band Parents:

We are proud to announce that the Black Bear Band has qualified for OMEA State Marching Band Finals! That means that we are once again privileged to be celebrating with a long-time Black Bear Band tradition: **BALLOON DAY!**

Parents may purchase balloons and other gifts (bears, candy, etc.) and bring them to the band room entrance between 1:00PM and 4:00PM on **Friday, November 8th**. Students may also want to buy gifts for each other. It's a great time to show your Black Bear Band member how proud you are of them!

**Students:** If you have balloons, mementos, or notes of encouragement for your friends in the band, send them in with your parents and they can put them in the band room on the correct chair. **Students may bring gifts in between 12noon and 1:00PM.** Band students should come back and re-enter through the auditorium/choir entrance and report to the cafeteria until 5PM.

**Parents:** If you would like to be there when your student receives their balloons, please be there no later than 4:45PM and enter through the band entrance. At **5PM**, we will release the students from the cafeteria to come to the band room. After they read cards, etc., the band will play the music from their contest show and there will be lots of photo opportunities, so bring your cameras / phones for pics & videos! The more parents, the better! Balloon day has been an exciting tradition for years, so let's keep the tradition alive!
