THE JESSICA SIVIK INSTRUMENT FUND SCHOLARSHIP

The Jessica Sivik Instrument Fund Scholarship was established by Dawn and Gail King to honor their daughter / step-daughter, Jessica N. Sivik, flute player and lover of all things music. Jessica was killed in an auto accident on May 11, 2015. She was 18 years old and would have graduated high school in less than two weeks with the River View High School class of 2015.

The Jessica Sivik Instrument Fund Scholarship has been established to financially assist River View students in grades 5 -12 who desire to join band. Each year this scholarship will be granted to students who meet the requirements outlined on the included application.

Each year your student is granted this scholarship, \$20.00 will be due on or before October 15th to help cover the cost of maintenance. If there is any damage beyond what is considered "normal wear", you will be responsible for any repair costs.

Applications will be reviewed by the scholarship committee consisting of Jessica's parents and a former band director from River View. The Jess Sivik Instrument Fund will provide the instrument to use for one school year. Families may re-apply each Fall.

Primary consideration will be given according to family need and student aspirations. You may be contacted by the scholarship committee to share more details about your financial situation. You will also be notified when you are accepted.

Please send completed applications to:

The Jessica Sivik Instrument Fund is willing to work with families who have a need for assistance. Please provide us with insight into your plan to get your child to band practices and concerts. We realize that this is also an expense.

Jessica's family feels that being a part of the River View Band is beneficial to all students who are involved. Please describe how being a part of the band will benefit your student.

I understand this scholarship lasts for the duration of one school year and I may re-apply each fall for the current school year.
