Students are strongly encouraged to participate in the solo and ensemble contest. The object of the contest is to initiate a learning experience for the student. The student has the opportunity to improve their individual and ensemble playing ability and build self-confidence simultaneously.

**ENSEMBLES - Encouraged, but not required**

Ensemble participation is encouraged to participate in the solo and ensemble contest. The training is essential for a well-trained musician and the band will benefit greatly from the experience your ensemble will have received. Any students wishing to organize an ensemble should arrange rehearsal time together. There is music in the library for the following types of ensembles:

**MARCHING AND SYMPHONIC BAND CONTEST - REQUIRED, GRADED PARTICIPATION**

The purpose of the band contest is to provide musical experience for the large group and to receive professional adjudication. Music selected for the contest is of sufficient merit and challenge to warrant intensive rehearsal and practice. Extra rehearsal may be necessary. Marching band will compete in four or five contests and the concert band in a maximum of two. A superior rating by either band will invite that band to participate in state level competition.

**BAND SEATING ARRANGEMENT**

The seating arrangement is determined according to ability. Positions are determined by a try-out procedure, which involves playing a prepared piece, (16 - 32 measures), scales, and sight-reading. Scales will be selected from a list of Major scales. Requirements will be handed out in advance of try-outs. Try-outs will begin in January. Sign-up sheet for times will be posted a few days in advance. Any student may challenge to advance in chair positions after placements are posted. Everyone must try out - graded participation.

Everyone will be recorded. If you do not perform at the best of your ability during the try-out, you may challenge the person beside you after placement.

The **challenge procedure** is as follows:

1. Inform the director and student to be challenged one week ahead of the scheduled challenge.
2. Challenge one chair at a time (the person next to you).
3. No challenges two weeks before a performance.
4. If you lose a challenge to a person twice in two weeks, you must wait a month before re-challenging.
5. The challenge consists of scales and prepared piece, both chosen by the director.
6. The challenge occurs before the director(s). They will judge on tone quality, rhythm, articulation, and accuracy.

## **PRIVATE LESSONS**

*Students are strongly encouraged to study privately with a qualified teacher on their instrument. If you are interested in private lessons, check with your director to recommend teachers. You may use the band room facilities for practice as often as possible, but you must obtain your pass before school begins.*

## **HORN INSPECTION**

There may be a mandatory horn inspections periodically throughout the year. All instruments should be cleaned thoroughly inside and out. You will receive a grade for the inspection to be added in with your other grades. Failure to have horn inspection will result in a lower grade.

## **INSURANCE ON INSTRUMENTS**

Any student who owns their personal instrument should carry some sort of insurance on their instrument. Accidents can happen and it is always wise to be prepared. Insurance companies allow you to carry personal instruments on a "rider" for an additional fee (so you can have it replaced with no deductible). *Copy down the serial number, brand, and model number of your instrument and keep that information at home.*

## **MARCHING BAND - PERFORMANCES REQUIRED AND GRADED**

This group will perform at concerts and compete in contest(s).

## **COLOR GUARD**

Any member of the high school in grades 9-12 can be a member of the marching band color guard. Tryouts will be held in the spring for guard the next fall season.

## **DRUM MAJOR**

Must have been in marching band for at least one year. Tryouts will be held in the spring.

**BAND FOR ONE SEASON**

It is strongly recommended that students participate in both marching and concert seasons. Students who meet these requirements will receive 1 credit per year counted towards graduation.

A student may elect to participate in just marching or concert band if they fall under any of the following classifications:

1. A direct conflict exists with marching band and a fall **varsity** sport AND your coach is not allowing you to be in marching band.
2. A student who chooses to attend the post-secondary option program and can not clear their schedule at 1:50 each day may still participate in marching band.
3. A student may be in one semester of band if the *guidance office* **and** the *band director* *agrees* there is no possible way to schedule required classes for graduation.
4. A student who is selected to the fall guard and does not play any musical instrument may sign up for first semester only.
5. A student who has a school related conflict with fall marching band and a solution can **not** be worked out between coaches and directors.

**The band director has the option to veto the decision if they feel this arrangement is not necessary.**

*Students choosing these options will receive 1/2 credit towards their graduation and will forfeit their four year awards, (four year plaque). They may letter after FOUR semesters of participation. They will receive a certificate for participation in that event, however they will be eligible for any special group award they have earned, (i.e. Fall Guard, Jazz Band, or Pep Band).*

**MARCHING BAND UNIFORM AND DRESS CODE**

Uniforms will be issued during Summer rehearsals and you will be held responsible for loss or damage. Uniforms should be carried in garment bags at all times when traveling. All students are required to pay a uniform cleaning fee. There will be about four cleanings throughout the year. The hats will be carried in their boxes at all times. Shoes are to be polished black and kept clean. The uniform is to be worn neatly and proudly at all times. Our uniform is the following:

**ATTENDANCE AND PARTICIPATION POLICY**

Band students are to be in their seats with instruments and music at the beginning of each rehearsal.

1. If you cannot play due to circumstances such as sore throat, sore teeth, or other problems of personal health, bring a written excuse from home with you the day you cannot play. Still required to attend practice or performance.
2. If you cannot play due to circumstances such as instrument in need of repair, notify the band director as soon as possible before rehearsal. Under no circumstances will you simply be excused from band rehearsal. You will be expected to assist with non-playing duties such as roll taking, sorting music, or observing in your section. You are not to take the occasion to visit or otherwise distract during rehearsal.
3. Strict attendance at all rehearsals and performances is necessary to any performing organization. Each member of the organization is as important as every other member and should take the responsibility for both a good performance and a bad one.

**For this reason the following rules have been set:**

- a. *Please call and talk to a director if you are going to miss due to unforeseen circumstances. ALWAYS CALL in an emergency!*
- b. **An unexcused absence from a rehearsal will result in the student not performing at the next performance, but still required to attend in uniform and stand sideline.**
- c. **An unexcused absence from a performance may result in dismissal from band.**
- d. The following people may be contacted IN ADVANCE for excusing absences:
  1. Directors

  1. When there is a conflict with another school-related performance (sport).
  2. Illness substantiated by a written excuse from parents and doctor.
  3. Death in the immediate family.
- f. Excused absences from rehearsals will be cleared with the directors **two weeks in advance**. Failure to do so may result in absence being considered unexcused.

  1. When there is a conflict with another school related function (sports).
  2. Illness backed by a written excuse from parents.
  3. Appointments with out-of-town specialist.

\*\* By limiting after school practices during the football season to Tuesday, Wednesday, and Thursday, it is hoped that Monday and weekends are adequate to schedule 1 through 5 as listed in section "h" above.

\*\*\*Extra sectional practice will be treated as full band rehearsals as long as it is scheduled by the section leader at least one week before the sectional is to take place.

**FOOTBALL GAMES - ATTENDANCE REQUIRED AND GRADED**

**All football games are considered a graded performance.**

All students will remain in their seats during the game. The directors or drum majors will start all songs. No one leaves the band bleachers without permission from the directors. Only band members will sit in the band bleachers, no outside friends or company. We play as a band, this is not practice time.

When in uniform, you are representing the River View Band and not yourself. Therefore your actions are very important at all band related functions. Third quarter uniform does not include hats or gloves. Any other variation is at the discretion of the band director.

**BUS TRIPS**

All students will abide by the bus rules that were adopted by the River View Board of Education. The bus chaperone will inform you before the bus leaves of any changes that might occur in bus behavior. All band members are required to ride the bus to away performances. All band members will ride home unless **prior arrangements** are made with the director. *A parent who attends an event may always sign out their own child without a prior written excuse.*

Only those parents who have sent in written notes requesting the band member to be allowed to ride home with another parent will be excused from bus transportation. The note must include the reason for not riding the bus, name of parent with whom the band member will be riding, and the parent/guardian signature. Remember to date the note and list the date of the event.

- a. Failure to ride the bus **to** the away game will result in their not performing.
- b. Failure to ride the bus **home** or to present a note will result in their not performing at the next performance, but they are still required to attend in uniform.
