<u>UNIFORM:</u>	<u>Thoughts & Sayings:</u>
• Uniform Black Bib Pants	★ We have been working for this since July!
• Uniform Jacket	★ What can you do better?
• Hat & Gauntlets (in Hat Box)	★ Practice how you want to perform!
• CLEAN white gloves (in Hat Box)	★ Nothing great ever happened without hard work!
• Current Gold T-Shirt	★ No one can do <u>your</u> job except <u>you</u> !
• Black Shorts	★ If what you did yesterday seems great, you must not have done much today!
• Band Ball Cap	★ Are you a good band or a <u>great</u> band?
• TALL Black Socks <i>AND</i> • CLEAN Black Band Shoes	★ Nobody ever said this would be easy, but it will be worth it!!
• Guard - Full Uniform and SILKS!	★ Energy is a decision more than a resource!
• Saxes - CLEAN Your Neck Straps	★ Know your music!
• Wind suits and warm layers!	★ Know your drill!
• SNACKS for trip - Consume on stops	★ If you follow, you'll be late!

Other Reminders:

1. We will wear our wind suit jackets through warm up and not take them off until right before we perform (gate). Your wind suit is part of your uniform!
2. You will have to change quickly when we go back to the busses before awards. However... this change will ensure that we can leave Brunswick quickly to make it to the Golden Corral in Canton.
